Location: Fuengirola

Completely renovated apartment for sale, very bright and with beautiful views of the sea and the marina. It has air conditioning in all rooms. It is in one of the best areas of Fuengirola, on the paseo marítimo a few meters from the beach, but at the same time also very close to the center, with all kinds of services such as bars, restaurants, shops, supermarkets, bus station and surroundings. ... Very good qualities. Practically new appliances, quality mattresses and with very little use. It would be delivered as seen in the photos. The apartment is on the 6th floor, and its terrace is integrated into the living room with a window that folds completely, allowing the entire side of the living room to remain open. In this way, you can enjoy the benefits of a living room and a terrace at the same time. The building has a porter service. Ideal both to enjoy it and for investment. It is rented very easily and has the tourist registration number. With Airbnb you can get more than € 10,000 only with the months of September to June.
